

## ST. ANDREW'S C.E. SCHOOL, TOTTERIDGE

### Sports Premium

The new 'Sport Premium' has been put in place over two years to support the delivery of PE and sport in primary schools. Sport premium is ring-fenced funding and enables schools to provide outstanding sporting / PE experiences for children and to develop staff skills.

St Andrew's has received £4,076 for school year 2013 - 2014, however, we have allocated additional funding from our school budget in order to build on the Olympic legacy.

What have we spent - and on what?

PE / sports equipment	£2,326
Sport leadership training for Y5/ Y6	£610
PE / sport professional coaching Y1/2 summer term	£600
Barnet Partnership for School Sports	£800
Teacher release time to attend sports tournaments	£225 per day

We are fortunate to have close links with both Totteridge and Millhillians Cricket Club and Totteridge Tennis Club.
