

Collective Worship at St Andrew's

St Andrew's C of E School's aim is to provide a happy, inclusive and Christian learning environment.

We aim to develop our school by taking into account the principles of the Church of England and by promoting Christian values through the learning experiences we offer the pupils.

Our daily act of Christian collective worship is central to school life. It offers opportunities for the staff and pupils to enquire, explore, reflect and celebrate.

We ask that the pupils conduct themselves in a calm and respectful manner.

Our pupil worship team co produce our worship and encourage others to actively participate. All pupils have the opportunity to bring their prayers to our worship.

In addition to school based worship pupils help to lead worship at our church; St Andrew's Totteridge. We attend services for Harvest, St Andrew's Day, Christmas, Easter, Ascension as well as a welcome service for our reception pupils and a leavers service for our year six pupils.

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Worship enquires into the world around us and is an opportunity to stop and ask questions and consider challenges faced by some. (Picture News)	We engage in worship linked to the monthly value.	Class worship This is an opportunity to reflect at an age appropriate level on the questions posed in Monday's worship.	We discover the stories of the Bible (Act-a-long and The Rhyming Bible maybe used) related to the liturgical year and school calendar. (Big Start Assemblies)	We engage in celebration. We celebrate our academic progress, effort and recognise those who have demonstrated school values through the different aspects of school life.
