#### Important Notes:

1. Please make a note of the Club Dates. You will only be contacted in advance of the first session if your child **does not** have a place.
2. The number of places available per club each term is limited for quality control reasons. Therefore, we must apologise in advance for those we have to turn away after the club is full.
3. Science club fees are non-refundable (except in circumstances where your child either changes school or has prolonged illness/injury which prevents them from attending school). Please refer to our website for a full list of T&C.
4. Science clubs are operated by Mother Nature Science, UK Company Reg. No. 602811; VAT No. 941780413; Tel: 02088638832; Web: www.mnature.co.uk

For all Enquiries - Contact us at [info@mnature.co.uk](mailto:info@mnature.co.uk)

**Science System 1!** - A New Safe, Fun, Hands-On and Enriching Science Topic Every Week, from:

**Catapult Comp!** - Discover gravitational potential energy and make a catapult!

**Balloon Hovercrafts!** - We investigate friction forces, try to overcome friction and make a hovercraft.

**Balancing on a Pin Head!** - We investigate our centre of gravity and make a balancing toy.

**Butterflies and Mini-Beasts!** - We camouflage a butterfly so it can hide from our very hungry bird!

**Hoop Gliders!** - Can Hoops fly? We discover the four fantastic forces of flight and make a hoop glider!

**Air Rockets!** - We discover the history of rockets and make an air-powered rocket!

**See All You Can See!** - We study solids, liquids, and gases by making real candles!

**Eggonauts!** - Save Eddie the Egg from a messy fate by designing a drop zone and learn about momentum!

**Feeling Hot, Hot, Hot!** - We discover the effects of temperature and make a working thermometer!

**Periscope Down!** - Discover light reflection and see round corners!

Hello - please keep the top half of this letter for future reference, especially for the club dates!
